Uploaded Images Catalog & Analysis

Image #1 (input_file_0.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #2 (input_file_1.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #3 (input_file_2.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #4 (input_file_3.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #5 (input_file_4.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

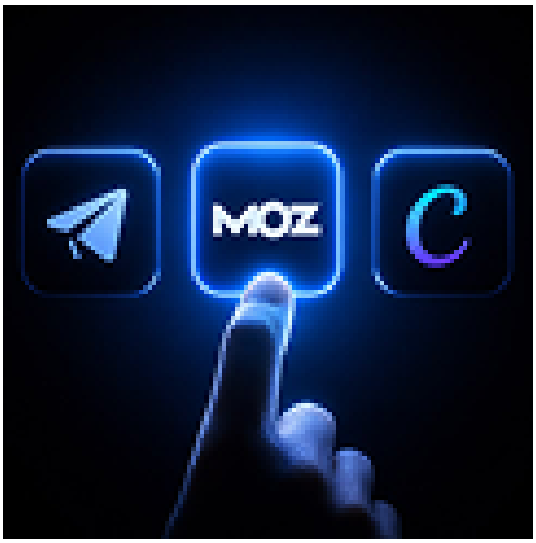

Image #6 (input_file_5.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #7 (input_file_6.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

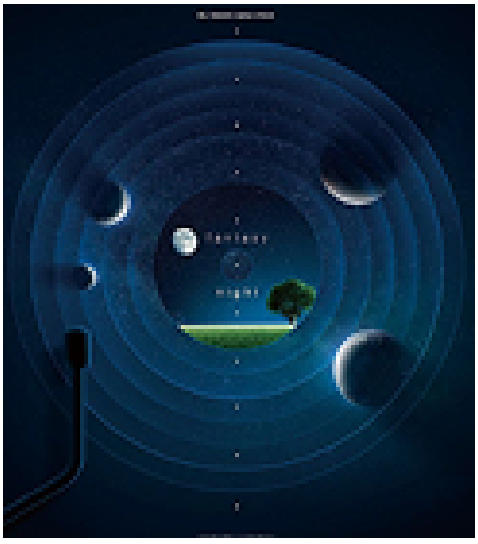

Image #8 (input_file_7.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #9 (input_file_8.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #10 (input_file_9.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

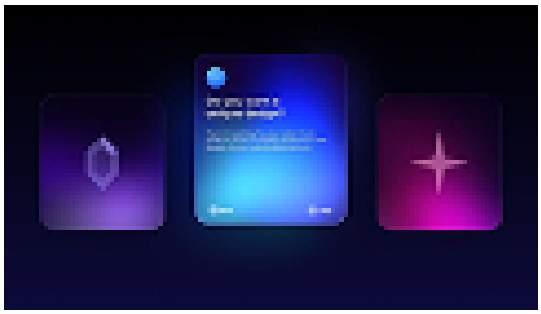

Image #11 (input_file_10.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

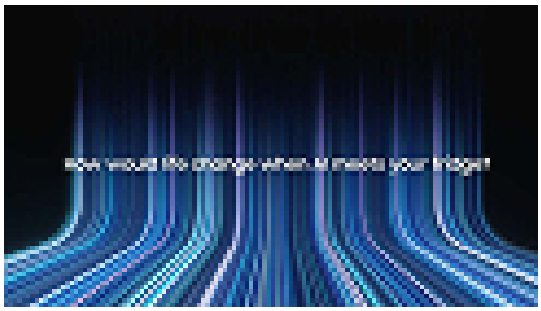

Image #12 (input_file_11.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #13 (input_file_12.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #14 (input_file_13.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #15 (input_file_14.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #16 (input_file_15.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #17 (input_file_16.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

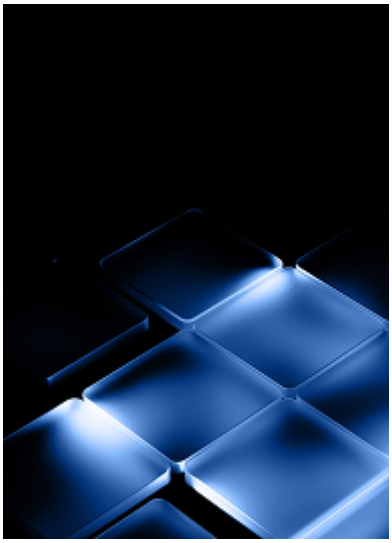

Image #18 (input_file_17.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

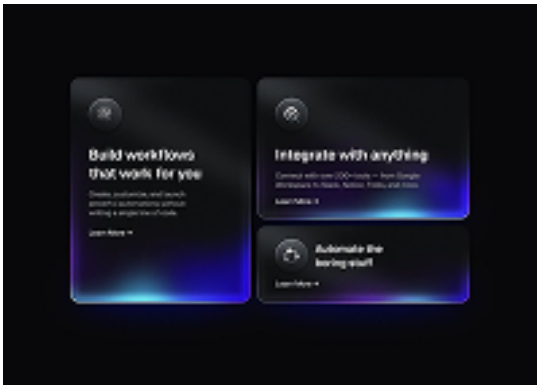

Image #19 (input_file_18.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #20 (input_file_19.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #21 (input_file_20.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

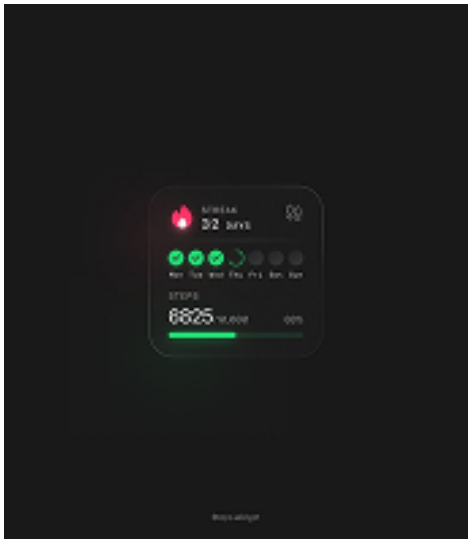

Image #22 (input_file_21.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

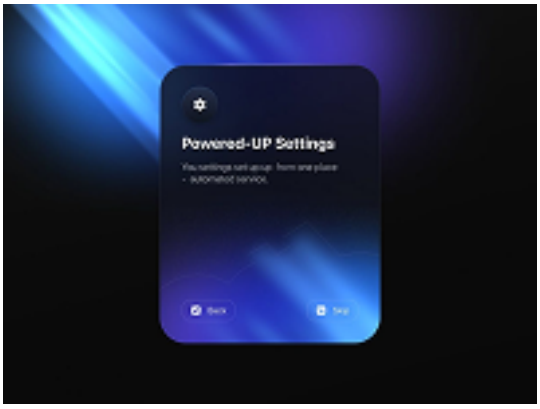

Image #23 (input_file_22.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

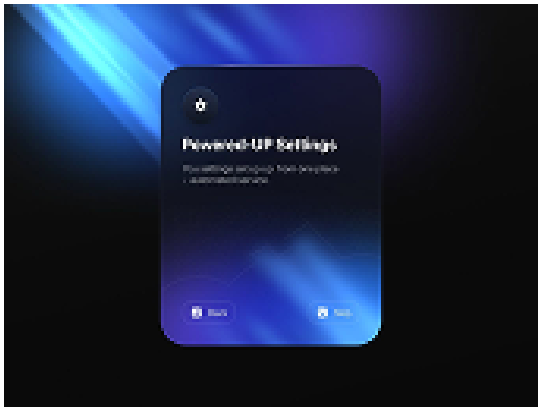

Image #24 (input_file_23.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #25 (input_file_24.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

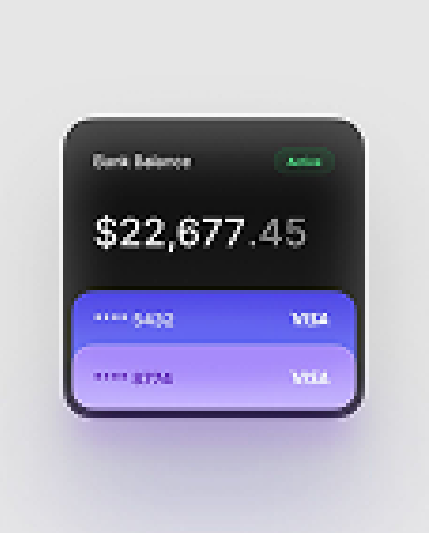

Image #26 (input_file_25.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

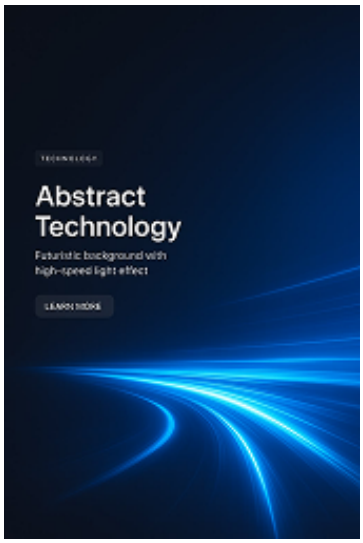

Image #27 (input_file_26.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

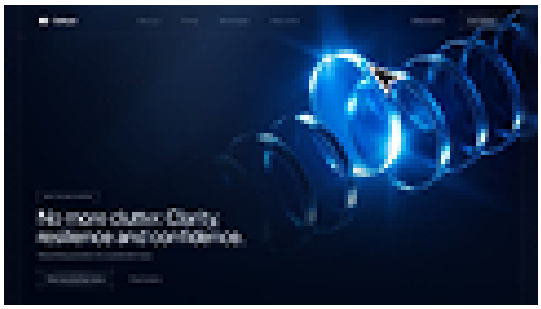

Image #28 (input_file_27.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #29 (input_file_28.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

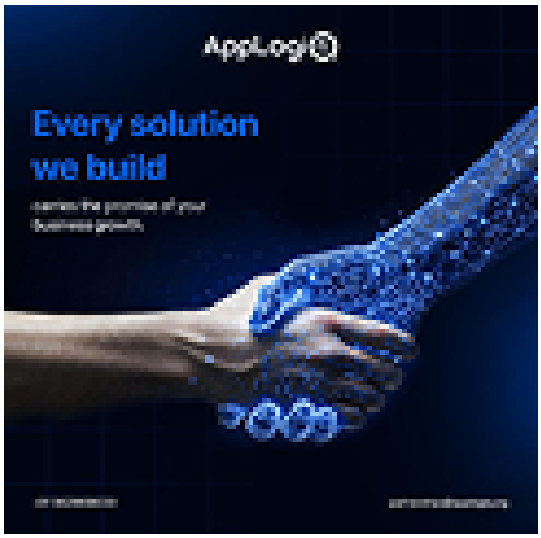

Image #30 (input_file_29.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #31 (input_file_30.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

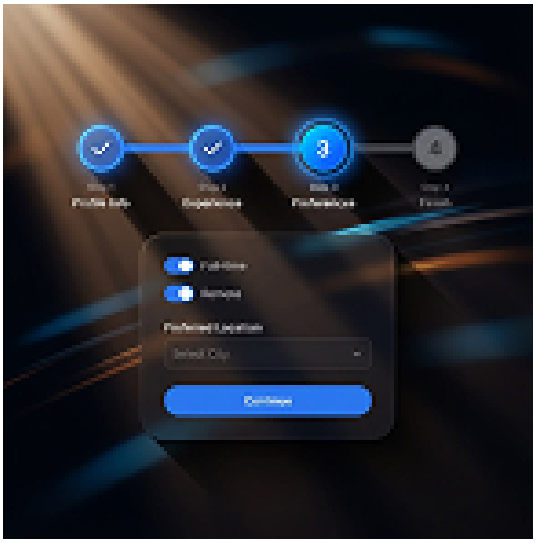

Image #32 (input_file_31.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

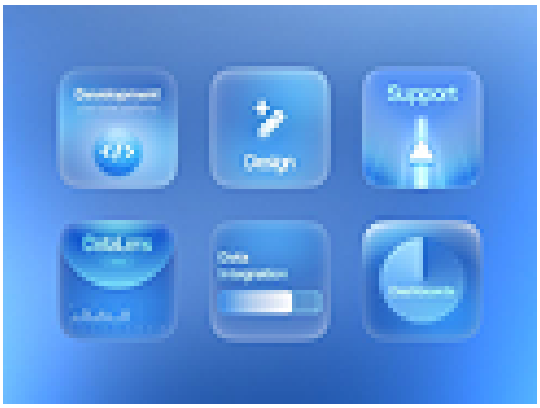

Image #33 (input_file_32.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #34 (input_file_33.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

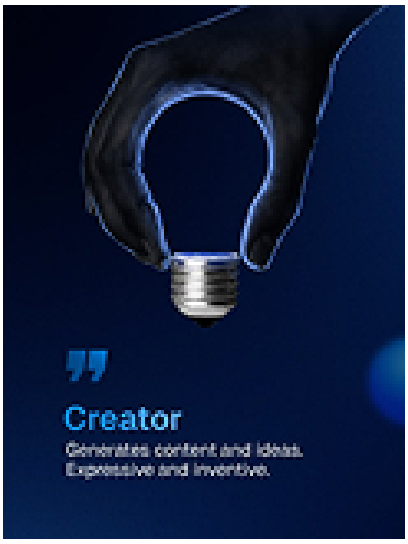

Image #35 (input_file_34.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

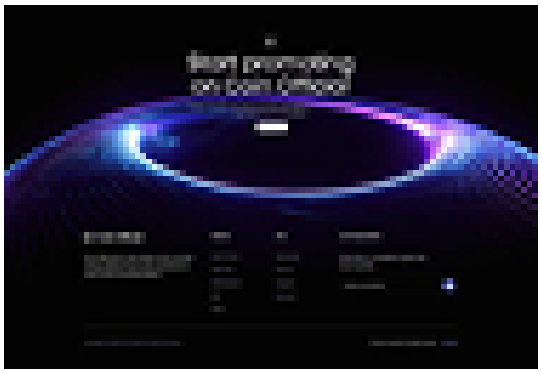

Image #36 (input_file_35.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #37 (input_file_36.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

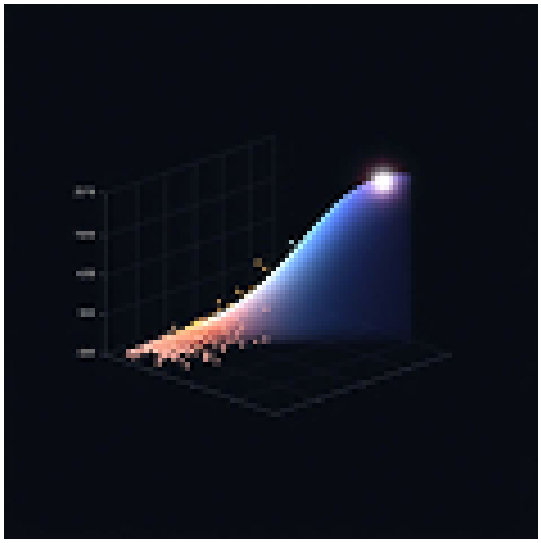

Image #38 (input_file_37.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #39 (input_file_38.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

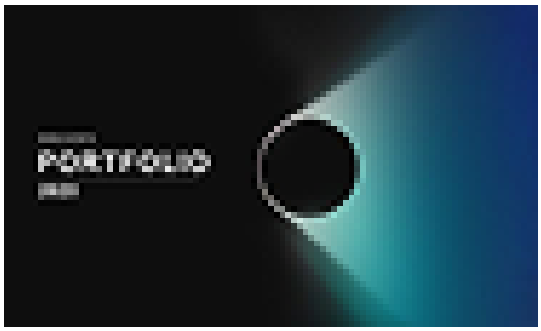

Image #40 (input_file_39.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

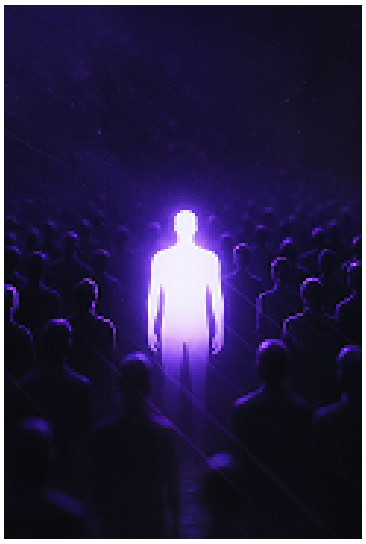

Image #41 (input_file_40.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #42 (input_file_41.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #43 (input_file_42.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

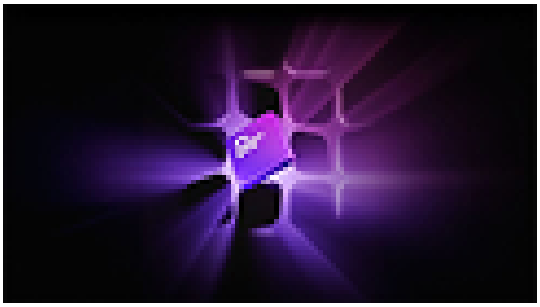

Image #44 (input_file_43.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #45 (input_file_44.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

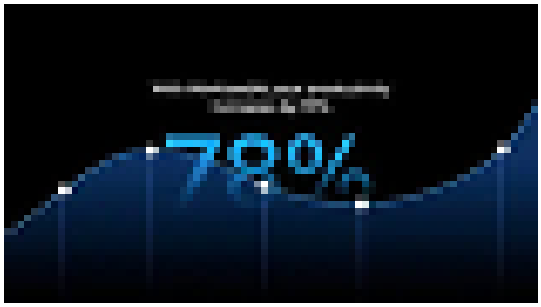

Image #46 (input_file_45.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

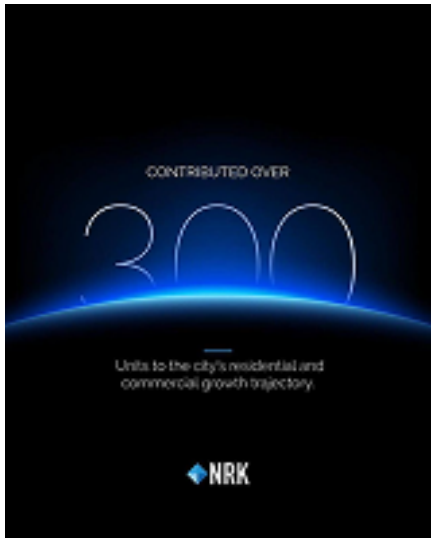

Image #47 (input_file_46.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

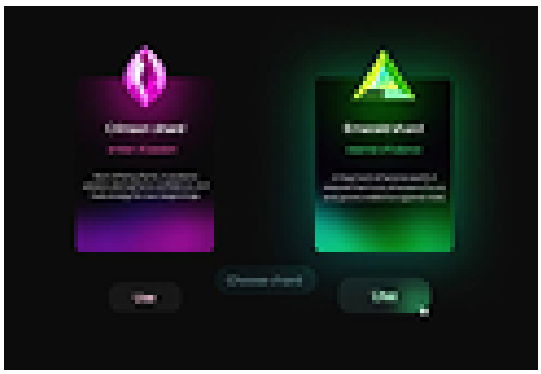

Image #48 (input_file_47.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #49 (input_file_48.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

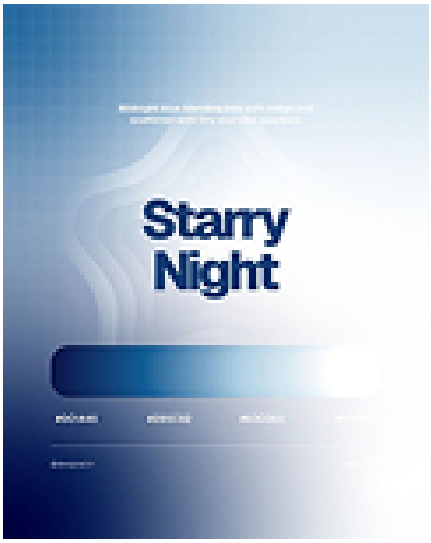

Image #50 (input_file_49.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

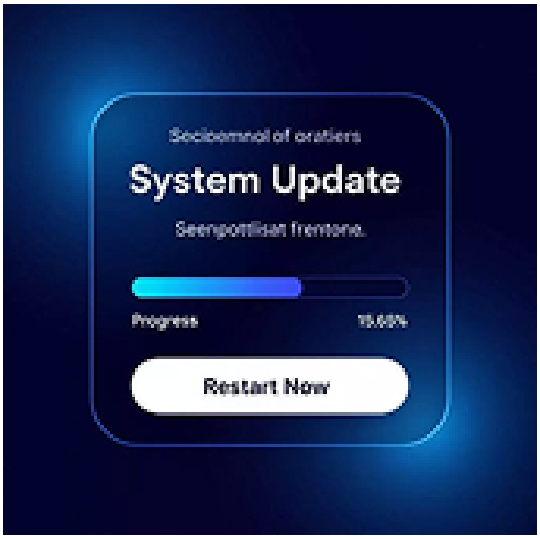

Image #51 (input_file_50.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

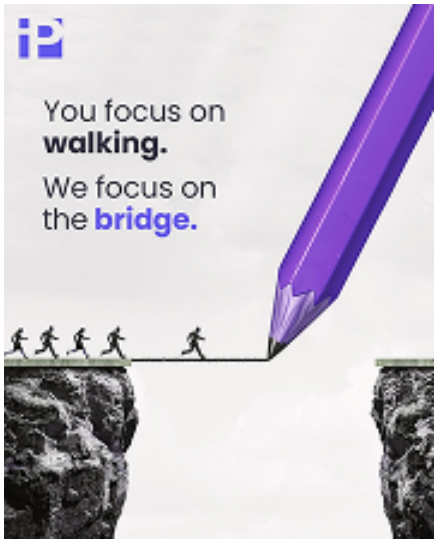

Image #52 (input_file_51.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

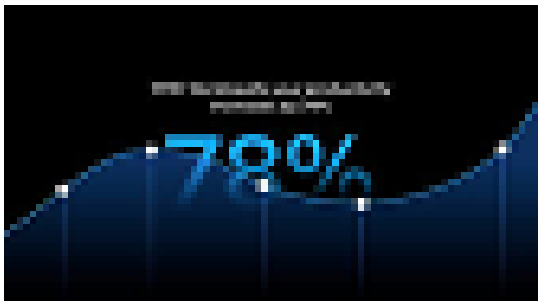

Image #53 (input_file_52.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #54 (input_file_53.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

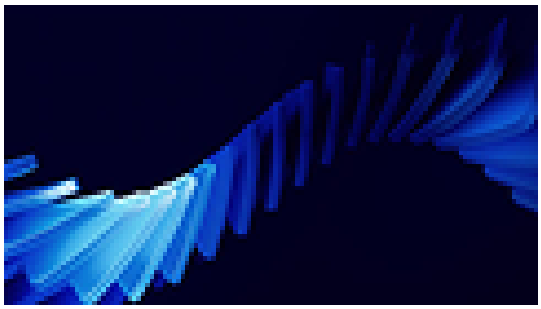

Image #55 (input_file_54.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

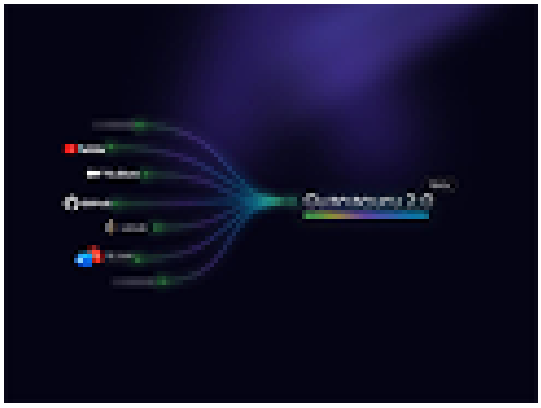

Image #56 (input_file_55.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #57 (input_file_56.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #58 (input_file_57.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #59 (input_file_58.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #60 (input_file_59.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #61 (input_file_60.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

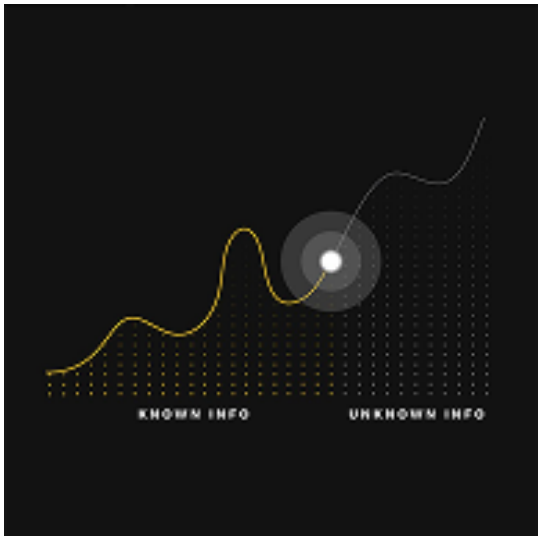

Image #62 (input_file_61.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #63 (input_file_62.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

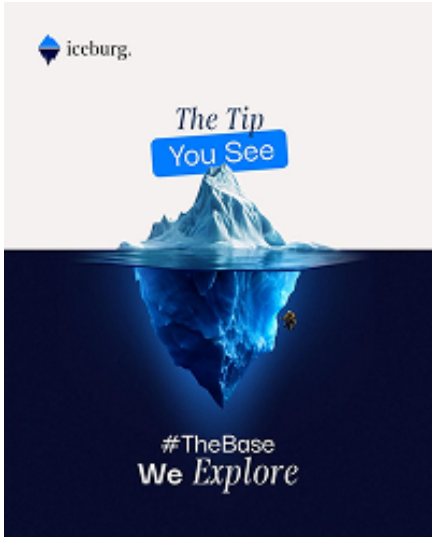

Image #64 (input_file_63.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

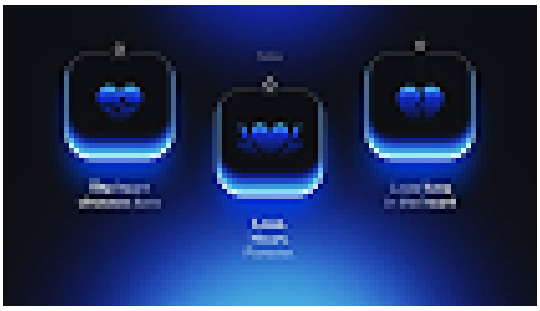

Image #65 (input_file_64.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #66 (input_file_65.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #67 (input_file_66.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

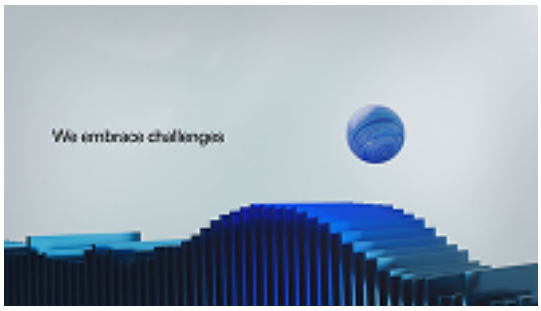

Image #68 (input_file_67.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #69 (input_file_68.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #70 (input_file_69.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #71 (input_file_70.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

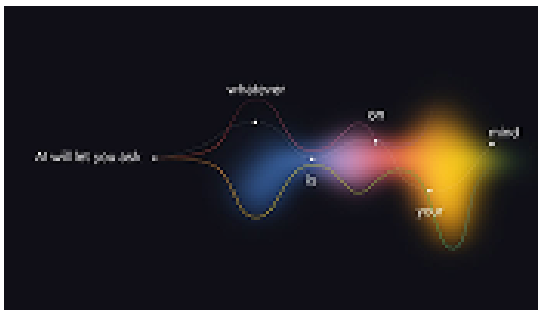

Image #72 (input_file_71.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

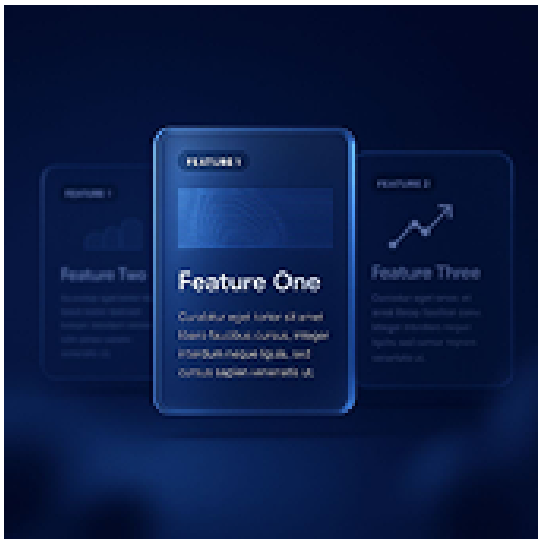

Image #73 (input_file_72.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #74 (input_file_73.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

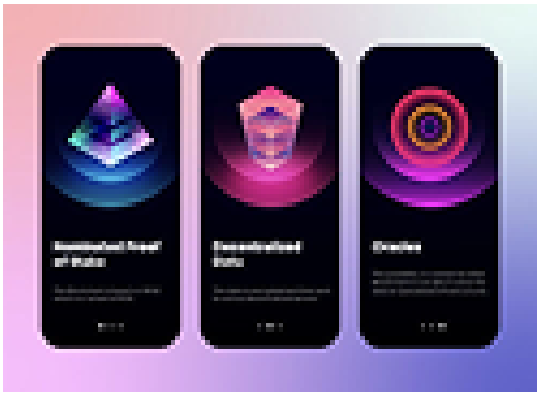

Image #75 (input_file_74.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

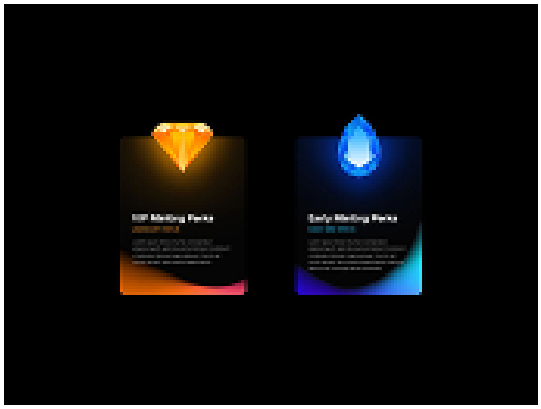

Image #76 (input_file_75.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

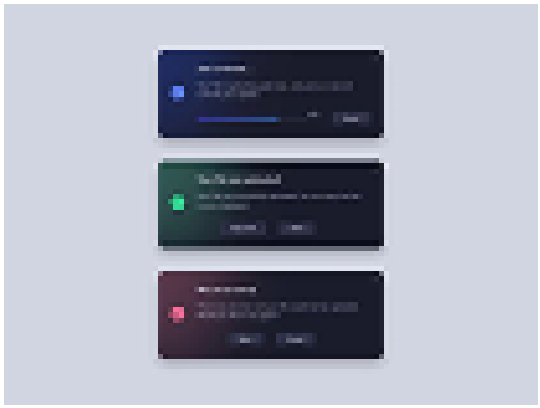

Image #77 (input_file_76.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #78 (input_file_77.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

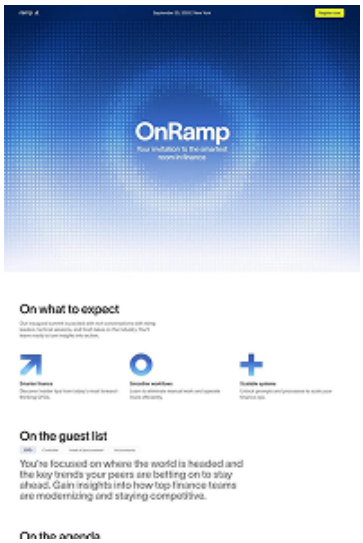

Image #79 (input_file_78.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #80 (input_file_79.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #81 (input_file_80.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #82 (input_file_81.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #83 (input_file_82.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

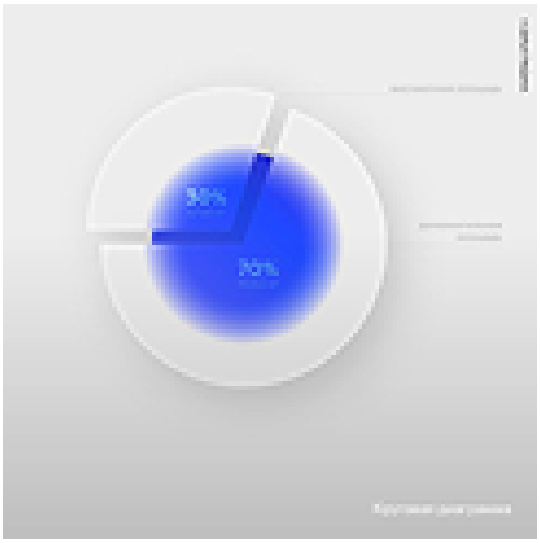

Image #84 (input_file_83.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #85 (input_file_84.png)
Applied Editing Techniques & Design Features:

• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #96 (input_file_95.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #97 (input_file_96.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #98 (input_file_97.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

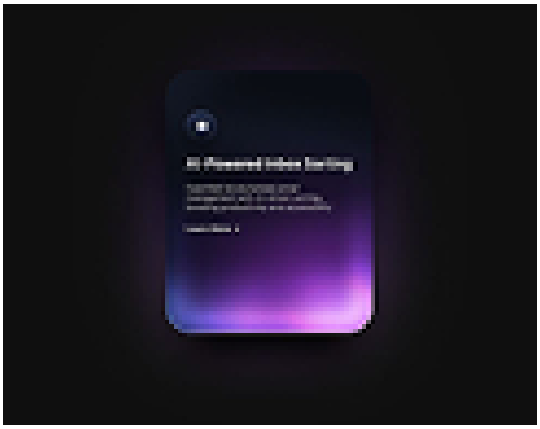

Image #99 (input_file_98.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #100 (input_file_99.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #101 (input_file_100.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

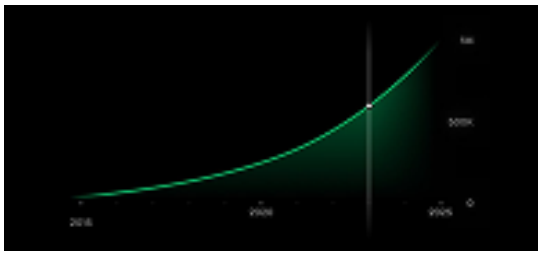

Image #102 (input_file_101.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #103 (input_file_102.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #104 (input_file_103.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
• Neon/Glow Accent Effects & Radial/Linear Gradients
• Clean Typography Overlay & Custom Iconography Alignment

Image #105 (input_file_104.png)
Applied Editing Techniques & Design Features:
• Dark Mode Aesthetic & Glassmorphism (blurs, transparent frosted layers)
• Vector & UI/UX Graphic Layout Composition
